

Dear Friend,

I would like to invite you to partner with us for **The Warburton Celebrity Golf Tournament benefiting St. Jude Children's Research Hospital** to be held March 9-12, 2017.

The Warburton Celebrity Golf Tournament is a weekend full of festivities! The event will kick off on Thursday evening with a Songwriters Night at the JW Marriott Desert Springs. The hotel will also host the Pairings Party & Celebrity Jam Session on Friday evening and Saturday Soirée the following evening. Tournament play will take place on Saturday and Sunday at the Palm Course at the JW Marriott and at The Classic Club in Palm Desert. The weekend will conclude on Sunday with an Awards Luncheon following tournament play.

During the Saturday Soiree on March 11, we will be hosting amazing Silent and Live Auctions featuring desirable items from generous businesses such as yours. We would like you to consider joining us in our efforts to fight childhood cancer by donating an item to our Auction.

St. Jude Children's Research Hospital is leading the way the world understands, treats and defeats childhood cancer and other deadly diseases. Everything we do is centered on finding cures and saving children. And families never receive a bill from St. Jude. We pay for treatment, travel, housing and food – because all a family should worry about is helping their child live. By sharing our knowledge freely and exchanging ideas openly, we're inspiring more collaboration between doctors and researchers worldwide, and, as a result, more lifesaving treatments for children everywhere. At St. Jude, we won't give up. We do everything possible to end childhood cancer and other deadly diseases.

As a partner of the tournament, you will gain tremendous exposure and can take great pride in raising awareness and funds for St. Jude Children's Research Hospital. To make your commitment today, please complete the enclosed agreement form. For additional information please visit our website at [www.thewarburton.com](http://www.thewarburton.com) or contact Odette Gutierrez with St. Jude at (714) 855-6350 or [Odette.gutierrez@stjude.org](mailto:Odette.gutierrez@stjude.org).

Thank you for your commitment in the fight against childhood cancer.

Gratefully,

Cathy & Patrick Warburton  
Founders

Clarke Rheney  
Tournament Chair

## **About St. Jude Children's Research Hospital**

St. Jude Children's Research Hospital is leading the way the world understands, treats and defeats childhood cancer and other deadly diseases.

- Families never receive a bill from St. Jude for treatment, travel, housing and food – because all a family should worry about is helping their child live.
- Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20 percent to more than 80 percent since it opened 50 years ago.
- St. Jude is working to drive the overall survival rate for childhood cancer to 90 percent, and we won't stop until no child dies from cancer.
- St. Jude freely shares the breakthroughs it makes, and every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children.
- Because the majority of St. Jude funding comes from individual contributors, St. Jude has the freedom to focus on what matters most – saving kids regardless of their financial situation.
